VINTAGE NOTES

A late start to summer, blanketing the vineyards with the heat we expect from the Okanagan sun. Softer days and an ideal fall made up for the intense heat, allowing for slightly smaller berries to ripen with complex flavours.

WINEMAKING & WINE PROFILE

An old-world French style of making Rose finished in French oak, stainless steel barrels, and stainless tanks. A blend of natural and commercial yeast is used. No malolactic. #alldaysaignée
